

CONSERVATION SECURITY PROGRAM (CSP)
PARTICIPANT MODIFICATION CERTIFICATION WORKSHEET

I, _____, Contract Number: **7852KY**
hereby submit this Modification for consideration during CSP 2006 Modification Period for 2004 and 2005 contracts. As Participant, I have fulfilled my responsibilities to complete and certify the following:

_____ All offered acres meet the minimum level of treatment required for CSP.

_____ I have included all of the eligible acres for my entire agricultural operation and certify or have supplied the following to support these acres:

This CSP modification includes the following land uses (check all that apply)

_____ Cropland

_____ Pastureland

_____ Other Land (Tier III only)

_____ The agricultural operation identified is under my control, and constitutes a cohesive management unit that is operated with equipment, labor, accounting system, and management that are substantially separate from any other.

_____ I have control of the agricultural operation identified for the remaining length of the CSP contract.

_____ I understand that I must remain in compliance with the highly erodible land and wetland conservation provisions found in 7 CFR Part 12.

_____ I understand that I must remain in compliance with adjusted gross income (AGI) requirements.

_____ The **cropland** acres identified in the agricultural operation have been planted, or devoted to crop production for at least 4 out of the 6 years preceding May 13, 2002.

_____ A map of any Newly Acquired Land added to my Tier III contract.

_____ The documentation I provided NRCS is the basis for the Pastureland eligibility, Tier placement, and/or enhancement payments, if applicable.

_____ Adding newly acquired land. (This is only for Tier 3 or advancing to Tier 3 contracts)
